INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. No. 8728

January 7, 1907.

James [illegible]. Goddard,

Allatoona, Georgia.

Sir:

You state in your application for right to share in the distribution of the Eastern Cherokee Fund that you were living in 1844 in Allatoona, Georgia. Why were you not enrolled with the Eastern Cherokees in 1851?

If your father's name was Earl J. Goddard and your mother's maiden name Sarah Gravitt, as you state, how is David Cordrey, who you claim is your grandfather, related to you? It will be impossible to make final disposition of your claim without full information in regard to the difference in names.

Was your mother considered a white woman or Indian? Was she ever held as a slave; if so, was she owned by white people or Indians? If you were ever held as a slave, kindly furnish us with the family name of the people who owned you.

Was your mother the legal wife of Earl J. Goddard?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Special Report in Case #8728.

Applicant was born in 1844 in Bartow Co., Ga. and claims through his grandfather, David Cordrey. He gives the name of his father as that of Early J. Goddard. George W. Goddard, whose application is filed with this group and who was born in 1846, who is the brother of applicant #8728, gives the name of his father as Jefferson Cordrey or Goddard and his grandfather, David Cordrey. Applicant and his brother were living in the state of Georgia in 1851 and remained there until about the year 1894. Neither the brothers nor their father were enrolled in 1851, nor were they enrolled by Hester in 1884. They claim that their father was the son of David Cordrey. Reference to application #4025, which claim is undoubtedly good, and been C. K. through Going Snake 397, is the grandson of David Cordrey. His father's name is that of William Cordrey. In his application he does not mention the name of the father of applicant #8728, nor of #18325. Applicant #9913 is the granddaughter of David Cordrey and she does not mention in her application the name of the father of applicant #8728. Applicant #11648 is the grandson of David Cordrey and he does not mention the name of the father of applicant #8728. These last three applicants are descendants of the David Cordrey whose name appears upon the roll of 1835 from Forsyth Co., Ga. It would appear from this that applicant #8728 and his brothers are not descendants of the same David Cordrey. The evidence in these cases fails to show any Indian blood and it is apparent that they were not enrolled in 1851 by Agent Chapman, neither were they enrolled in 1884. Muse Test p 4023

These claims are, therefore, rejected.

HCB/.I.S.

#18325-3728.

George W. Goddard being first duly sworn deposes and says:

My name is George W. Goddard, and I live at Stilwell, Okla. I am 62 years. I claim Cherokee Indian descent through my father, Jefferson Cordrey. John Goddard raised my father from a little boy and he always went by that name. I was born in Forsythe County, Ga. I came west in 1894. I made applications for both lands and citizenship, but they told me that my application was put in too late, and they were rejected on that ground. My father died in 1866 in Bartow County. He was fifty-one years old at the time of his death. My father got his Indian blood through David Cordrey, his father, who was a half blood Cherokee Indian. David Cordrey may have had brothers and sisters, but I do not know of them. David Cordrey started west at the time of the emnigrant removal, but died beyond the Mississippi River and the balance of his family kept on. Wilson Cordrey was one of his sons and Sebrim was another. Se-be Cordrey (Skin Bayou 119) was my father's brother. Wilson Cordrey (G.S. 397) was a brother of Se-be and a son of David. My grandmother was Sarah Cordrey nee Tidwell. These Cordrey's were in the Cherokee Nation in 1851, but I do not know in what District. Melissy Cordrey was one of Grandfather's children. There was another child named Sally. I have always heard that my father Jefferson Cordrey received money in 1851. David was a half breed. He lived in North Forsythe County in 1835, and ought to have been enrolled at that time. I always heard that he was. (Dave Cordrey, Rolls 135 1835, Creep 46.) Young deer was the grandfather of Saphronia Ledford, who is my cousin on my father's side, and who sits here by me as a witness, app._____. My father and Saphronia's were half brothers. John Tidwell, the son of Young deer, was the father of my cousin Saphronia. The mother of John Tidwell was also the mother of my father Jefferson Cordrey. Her name was Sarah Cordrey nee Tidwell. My father lived among the Indians in Ga., and took part in their tribal councils. I have always heard that he was enrolled.

He has been dead 25 or 30 years. He never received any money from the Goverment on account of his Indian blood. I think they said Sizemore was a chief. I have seen Lydia Sizemore several times. She looked like an Indian. I think she lived in Mitchell County, N.C. I think Ned Sizemore came from Surry County,N.C. I do not know where Ned Sizemore died, or wh ther he went clear out. Lydia, Bryant and Jackson, Millie and Richard were ~~my children~~ my children. I really do not know who were the children of Ned Sizemore. I do not know where Lydia Sizemore died, but I think she was born and lived in Surry County,N.C. I do not know whether old Ned Sizemore had any brothers by the name of Joseph or Johnny. I am 34 years of age. I drew Old Settler money in 1895 and think it was from my father's side. My mother was an Emmigrant and was living in 51. My mother had sisters named Elizabeth, Nancy and Aggy, and brothers named James, Jacob and Benjamin. James was grown then. My mother's parents came out her with the big migration in 36 or 37 and James was a couple years old then. They lived in Going Snake District after they came out here. See G.S.171. Benjamin is still living near Proctor, Okla. James is still living too near Stillwell. My Dawes Commission number is 6777.

Lucinda Potatoes being first duly sworn through Tom Roach, Interperter, deposes and says:

I am about 50 years of age. Both of my parents were Emmigrants and were living together in Flint District in 51. My father's name Oo-wah-ha-say--hih or Dropping. My mother was named Nun-sih or Nancy. My father may have been called Dah-guah-aa-se-nih. I don't think my grandparents were living in 51. Think they all died in the East except My mother's mother. Her name was Dah-gih. I rather think she was living with my mother and father. My father ~~xxx~~ had a brother living in 51 named John ~~Xxx~~-Oo-wah-daw-lost. Another brother named Saw-hih Gah-dax-guh, which means fence. Had a sister named Quah-le-you-guh-De-gee-loo-caw. My mother had a brother named John-sin-nih. A sister named Nelly
My uncle Saw-hih Gah-daw-guh or Standing Fence had a wife named Che-cah-too-wee-sta. They had a girl named Nancy. See Fl. 307. I am a night hawk.

Peggs, Okla.

Sir:-

The names of your parents as given in your application fail to appear on the Eastern Cherokee roll of 1851. Neither do the names of your grandparents, Moses and Elsie Candy, appear on said roll.

Do you know why they were not enrolled at that time?

Were your parents held as slaves? If so, were they owned by White people or Indians?

Did they affiliate with any tribe other than the Cherokee?

Have you been enrolled by the Dawes Commission? If so, give your number and indicate on what roll your name appears.

Respectfully,

Special Commissioner.

That I am 57years of age. I am a full brother of Robert P. Vann. He was born in 1857. I was on the Old Settler roll myself and so was my mother and my brothers and sisters older than I. My brother Robert was too young to be on that roll. My father's name was David Vann. He was an emigrant and I suppose he was living in Candian Dist. in 1851. His wife's name was Nancy Vann. Nancy was an Old Settler, I think. Sallie Vann was my father's oldest sister. She married a Boro. Sophia was the next. Mary was another. William and Johnson were full brothers of y father (Can 39). My father had a half sister named Delilah and a half brother named Henry C. Vann. Their mother was Jane Mitchell. (Can. 13). Jane afterwards married Joe Vann, ~~xxxxxxxxxxxxxxxxxx~~ My father's Indian name was Little Dave or Da-wis-te-ook. I had a sister younger than I that was not on the Old Settler roll by the name of Maud and she married Famous Smith. She left children as follows: Eliza, Nan, Joe, David and Frank and Cherry. They live near Webbers Falls, Okla.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, you claim through your mother, Nancy Gafford, who you claim was living and enrolled with the Eastern Cherokees in 1851; kindly advise this Office under what name she was so enrolled. Was she married to Allen Gafford in 1851? Were your brothers and sisters enrolled with your mother in 1851?

How are you related to Thomas Starr? State how many times your mother was married, and was she married to your father at the time of your birth?

Give the names under which your brothers and sisters were enrolled with the Eastern Cherokees in 1851.

Was your mother ever enrolled with the old settlers?

When did your grandparents move from the old nation?

Was your mother ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to No. 8764.

Caroline Tremmel, 8768, being first duly sworn, deposes and says:

I am 44 years of age and was born in Macon Co., N.C. I claim Indian blood through my father. He lived in Macon Co. He passed for a white man. They always taught me that I was part Indian. My father died when I was a child. My mother and father's sister first told me about my Indian blood. I never got any Indian money on account of my Indian blood. I never heard of an agent named Hester. My father went to Arkansas when I was four years old. Do not know whether he got any Indian money or not. My father told my mother he would get Indian money if he lived long enough. My aunt Mahala Bateman lived and died in Macon Co., N.C. I do not know why my grandfather was never enrolled. It was my grandmother on my fathers side who claimed the Indian. Her name was Polly Trammel.

Ollie Cochran, --- being duly sworn, deposes and says:

My name is Ollie Cochran. My age is 47 years. I was born and raised in Flint District. I was enrolled by the Dawes Commission, Cherokee Roll #19007. I got the bread and strip money. My brother Spence Gonzalis was enrolled by the Commission and also got the bread and strip money. He is my full brother. My mother was a Cherokee Indian and my father a Mexican. My mother was Delia Adair. Delia Gonzalis was her name after marriage. She has been dead about 24 years. She lived in Flint District and was quite old. She had brothers and sisters but they are all dead but one. One was George Adair; he lived in Flint District. Charley Adair; he lived in Flint District; Newt Adair or J. B. Adair, as he signs himself. I think there was a Walter Adair; he lived in Flint District. My mother has drawn money from the Government from time to time. I think she got the payment in 1851 but she was quite small. My mother's mother's name was Polly Adair. She lived in Flint District. George Hughes was her brother. He lived in Flint but probably died in Sequoyah. She had a sister named Betsey. One named Jinnie. George Hughes had a daughter named Katie, and one Jinnie, and one Betsey. There was one named Na-a-ky. (Flint 24.) (See Polly Adair Flint 250.) My grandmother, Polly Adair, was an Old Settler. Ollie Cochran put in George Hughes' claim and of his children. George Hughes children are all dead except Na-a-ky. Newton Adair was also an Old Settler. Jackoline Welch is my cousin. I filed a claim for French and Levy Row. Samuel Adair was an Old Settler. Newt Adair was also an Old Settler. My mother was an Old Settler. My mother drew Old Settler money when she was a small child.

People on Old Settler roll. See O. S. #13

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the name under which your father was enrolled with the Eastern Cherokees in 1851; the name Armajarnar given in your application fails to appear on the roll; if he was enrolled at that time, as you state, he must have used a name other than the one given in your application. Was he known by any names other than Armajarnar? If so, give them.

Did your mother have only the one name given in your application?

Were your parents married in 1851 and were they enrolled together? If not, which of them, if either, was enrolled with their parents?

Any further information in regard to your claim will be appreciated.

Please give this matter prompt attention and refer in reply to the number of your application.

Ellen A. Brown,

Hayes, Oklahoma.

Madam:

You claim right to share in the distribution of the Eastern Cherokee Fund through your mother, Sarah Hicks, nee Grinnet, whose name fails to appear on the Eastern Cherokee Roll of 1851; was she living at that time; if so, why was she not enrolled with the Eastern Cherokees?

Do you claim Eastern Cherokee blood through your father, Willard Hicks?

It will be impossible to connect you with the Cherokees without further information in regard to your ancestors. It is necessary that you give the names of your aunts and uncles; if your aunts are married, give their married names. Also state where your grandfather on your mother's side was living in 1851, and why were he and your grandmother not enrolled with the Eastern Cherokees in 1851.

Was your mother ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to No. 8797.

Very respectfully,

HTT/WA

Special Commissioner.

There are people who yet reside here who remember said Archie Jordan,our great-grandfather.

Please notify me of the status of my claim,and those of my sisters Nos.8814 - 8815.

App. No. 8809

January 9, 1908.

Samuel Corley,

Dalton, Georgia.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, you claim through your mother, Martha C. Corley, nee Whitmore, whose name fails to appear on the Eastern Cherokee Roll of 1851; neither do the names of your grandparents, through whom you claim your Cherokee blood, appear on this roll.

What was your mother's place of residence at the time of her death and what was her age? Was she ever held as a slave; if so, was she owned by white people or Indians?

Where did your grandparents live in 1851 and do you know why they were not enrolled with the Cherokees either in 1851 or in 1835?

How was Mary Ann Coyle related to you?

In answering these questions, be careful to spell correctly your own as well as your grandparents names.

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

H'K/WA

Special Commissioner.
